Applications for the position of Vice-Chair, IGEO

The IGEO Executive Committee invites applications for the position of Vice-Chair. The elected Vice-Chair will be the next IGEO Chair starting July 2022.

The position requirements:

1. To lead and initiate the activity of the Executive Committee and the Council.
2. To initiate the development of Earth Science teachers as future Earth Science Education (ESE) leaders.
3. To initiate programs for the development of early-career ESE researchers as future ESE leaders.
4. To initiate programs for geoscientists to provide them with the tools to support the promotion of ESE at the school level.
5. To represent IGEO with the geoscience community.
6. To initiate and facilitate the fund application efforts of IGEO.

The expected/ desired background for the candidate:

1. A well-known figure in the Earth Science Education (ESE) community.
2. Proven experience in leading programs promoting ESE at the national and international levels.
3. The ability to fulfil the above responsibilities of IGEO Chair.
4. Should be an IGEO member.

The application submission:

Candidates desirous of applying for the position of Vice-Chair should submit the following documents:

- A CV that highlights the experiences of the candidate as an ESE leader.
- A document that describes the activities of the candidate in promoting ESE at the national and international levels.
- A document that describes the candidate's plans to fulfil the position requirements.

Applications should reach the Secretary, IGEO (akwarrier@gmail.com) on or before January 17, 2022.

The election process:

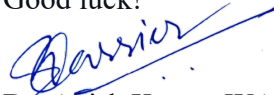

Deadline to receive applications – January 17, 2022

Communication to short-listed applicants – January 24, 2022

Assembly of IGEO Council (postponed from October) – Around January 29, 2022

Short-listed candidates will get 15 minutes each to present themselves and then to answer questions from Council members. Each country represented on the Council has one vote.

Good luck!
